GEORGE BURNHAM, PRESIDENT.
W. J. CHEYNEY, GENERAL MANAGER.
I. W. McELWEE, ASST. TREAS. & SEC.

Philadelphia, 4/7 1892

My dear Sam,

I this m'g have yr tele'g. and am glad to know that you are safely at S. F. and Eagle. I cannot expect to reach you with this until you return to Jamison, and send it there. I wrd you at Palace that I had paid yr dft. ($1000.) and I paid Cornell's for $2000. (bal. of purchase money for his interest in pool) a few minutes ago. Yours for $500. will be paid on presentation. I will see that the $7,000.- balance of it - for which you are authorized to make notes is paid as you may draw for it. I hope, by the time it is used up - June 1st prox. - that the Mine developments at Jamison will justify us - and warrant the building of a mill. You will understand that the 50 Stamp Mill is the ideal of Mssrs Burnham & Corbin only those who have tried to keep as much as a 20 Stamp Mill going, realize what a 40 or 50 Stamps eat up. If that Bisco ledge up the hill is of paying grade the problem might soon be solved. No mining and milling could be done cheaper.

4-9-92 - Dear Sam. I have a letter from Morton this m'g saying that he will show you all that has been done since you were there and give you his reasons for it. I assume that you are with him now, or just about through there. I wrote for a letter on yr return to S.F. - or perhaps you will take in the Mammoth on yr return to Jamestown. But I thought you would write me before leaving S.F. permanently in case I had any reply to make to you there. Perhaps you will run across Ingraham. I shd be glad to get all the stock we can for what has been paid in under our administration or perhaps pay a little more in order to get it now. If we have to maintain a big assessment in put on it the holders must take care of themselves. I wish N. care to sell some of his which we are carrying. You note that he might like to have some assistance after the fire, & possibly he might prefer to get it in this way. If you can substitute yourself for any additional holder in the post with the exception of present or former employes of the P. C. Co. (we want to keep them all in) I would be glad to see you do it.
